

# ODCA One Design Class

The Bay Area's active ODCA fleets welcome you to a new season of one-design racing. Among ODCA's fleets, there's a boat that fits every skill, schedule or budget.

Are you still wondering if your fleet finish position was because of your PHRF rating or in spite of it? Come join an ODCA fleet and enjoy level racing where your finish is where you place, how well you sail is how well you do.

The ODCA has championed level racing for more than 30 years and is continually evolving to meet the needs of new fleets on the Bay as well as serving time-tested one design fleets. Contact the fleet captain for the class of your choice to discuss joining a fleet, buying a boat or learning more about the ODCA season.
