5.0 COMMUNICATIONS: On Saturday and Sunday, the Race Committee may provide pertinent information on VHF Channel 71. The inability of a competitor to hear a hail for OCS or any other information shall not relieve her of her responsibility to start or sail correctly, nor shall it be grounds for redress. This changes RRS 25 and 63.1. **RADIO CHECK IN IS NOT REQUIRED OR ACCEPTED.** Boats are also encouraged to monitor VHF Channel 14 for updates on large vessel traffic.

6.0 RESTRICTED AREAS, HAZARDS, ETC:

6.1 Boats whose preparatory signal has not been made shall keep clear of any boat whose preparatory signal has been made. Boats shall not cross the Start line except when preparing to start or starting. Boats observed by the race committee to be in violation of this instruction will be scored DNF without a hearing. This changes RRS 63.1.

7.0 COMMERCIAL TRAFFIC, SAFETY:

7.1 Boats shall not impede the passage of commercial vessels and shall comply with USCG Navigation Rules. If a commercial vessel has sounded five blasts, and the vessel or the Coast Guard identified the boat by sail number, the Race Committee shall protest the boat, in which case the Protest Committee shall assume that the identified boat has impeded passage or violated USCG Navigation Rules, and the identified boat shall have the burden of proving otherwise. In the case of a complaint by VTS or the Coast Guard, the protest time limit shall be extended up to two days after the conclusion of the regatta. This changes RRS61.3. Compliance with RRS 60.2(a) shall not be required.

7.2 A Race Committee boat may signal a boat to alter course to avoid impeding the passage of commercial vessels by making a sound signal (horn or whistle) and pointing Code Flag V (a white square with a red X) at the offending boat. The signaled boat shall comply with the signal unless compliance would create an unsafe condition. If a boat fails to comply with such a signal, the Race Committee shall protest the boat, in which case the Protest Committee shall assume that the course alteration would not have created an unsafe condition, and the protested boat shall have the burden of proving otherwise.

A boat may be penalized under SI 7.1 even if it does not violate SI 7.2, and a boat may be penalized under SI 7.2 even if it does not violate 7.1. A violation of any part of SI 7 may not be exonerated by a Scoring Penalty. A disqualification under any part of SI 7 shall not be excludable under RRS A2 for boats sailing a YRA series. The CYC will cooperate with and provide information relevant to any investigations of impeding passage or violation of USCG Navigation Rules by the Coast Guard or other governmental authority.

8.0 SCORING: The Race Committee reminds participants it is their responsibility to note their finish times, other boats finishing near them and the order of finish to assist in the event of omission or error in recording. Boats penalized 'without a hearing' may petition for redress if the penalty is believed applied in error.

8.0 PROTESTS: YRA 19.0 is amended to allow that protests be postmarked or electronically transmitted on or before Tuesday, September 28, 2010. Protests shall be written on the official US Sailing Protest form and faxed (415-276-2378), e-mailed (info@yra.org) or mailed (1070 Marina Village Parkway, Suite 202-G, Alameda, CA 94501) to the YRA Office. All concerned parties will be notified by e-mail as to the time & place of the hearing. The skipper's or his/her representative's mailing address, telephone numbers and email address MUST be on every protest form at the time of its filing.
