

Monterey Peninsula Yacht Club 2011 S22 Nationals Boat and Trailer Storage Information

Dates: July 29-31, 2011, Monterey Peninsula Yacht Club.

--For up to a week prior and a week after the races we can put your boats and trailers in our dry storage boat yard. Contact Patrick Tregenza at 831.594.5959.

--During the race days the boats must stay in the water. (Cannot take boats out Saturday after races.) We will raft up as many boats as possible at our docks.

--Charlie Kurtmen (Leprechaun) has offered to put up to four boats in his slip on H dock. Contact him at kurtmen@juno.com and 559-917-0559.

--If you would like your own slip you can make arrangements with the Monterey Harbormaster: 831.646.3950

--We will provide bathroom/shower keys for each skipper, but you'll have to make a refundable deposit on it.

--We will have help available on the boat hoist all day Friday, Saturday morning and Sunday afternoon. The person operating the hoist must be checked out by our Harbormaster office, so we are providing authorized people to run the hoist.

--Everyone is invited to sail in our Wednesday Sunset Series beer can races on Wednesday July 27, and if you're here you can put your boats and trailers in the boat yard.

--We will have dinner at the clubhouse Saturday night, live music, beer donated by Pineapple Sails, great 1st-5th place trophies and other stuff.

--The Santanarama in Stillwater Cove at Pebble Beach is the following weekend, August 5, 6, and 7. Charlie Kurtmen (Leprechaun) will have the picket line available in Stillwater Cove after the Nationals for any boats that want to stay there the week between the Nationals and Santanarama.

Looking forward to these fun events!
