Hello,

Rock Paper Scissors Collective is a volunteer-run organization that fosters creativity and collaboration in order to strengthen local communities and encourage sustainable practices and alternative models. We promote the sharing of ideas, skills, and resources through the celebration of art, craft, education, and performance. We are located in downtown Oakland.

We are contacting you to inquire about donating old used sails to our organization. We will be doing an month long exhibition and textile classes for the community, and will be making things out of these old sails. Please contact me directly at 415-407-7431 or by email at kelly@rovingstudio.com.

Thanks in advance!

Sincerely,
Kelly Gregory
