- c) Tuna Tune-ups on the Estuary. Meet on Tuesday evenings during the warmer months to practice starts and racing. Contact Chris Nicholas for additional information.

5) Rules Reminder

- a) Fleet and YRA. Rules must be followed in order to participate in races.

6) Mentor Program. Mentoring already occurring. No addition pairings necessary.

7) Fleet Dues

- a) \$40
- b) Must be paid in order to participate in Fleet racing and/or Nationals. There is a PayPal link on the website exclusively for paying dues. The dues help supplement the Nationals and other events.

8) Discussion / Questions

- a) Trainings/Seminars. Various members will be sending out notices of trainings and seminars that might be of interest to the fleet such as racing rules, sail trim, etc.
- b) Women's Sailing Seminar (WSS). Discussed what the fleet can do to support the event. The fleet already donates several boats to the event.
- c) Nationals. There will be a planning meeting scheduled. Everyone is welcome and encouraged to attend. Volunteers are needed to assist with shirts, prizes, etc.
- d) Season scoring. In the past, all individual races were used to calculate the season standings. All agreed to change the scoring to a regatta based system. Therefore, boats will be scored based on how they placed that day (final results).
- e) Communication. With the fleet email being down for what appears to be almost a year, we discussed other ways to communicate.
 - i) Facebook page for the Santana 22's.
 - ii) WhatsApp messenger. Some people swear by this app for groups. Could be used for last minute calls for crew and announcing/reminding of races.
